

PRODUCT WARRANTY

Beghelli USA warrants all products and hereunder to be free from defect in manufacturing, under normal and proper storage, installation and use for a period of 3 to 5 years from the date of purchase (as specified below) or as otherwise specified (see inverters). Beghelli USA warranty extends only to the repair or replacement of the defective part, and no labor charges for correction will be paid by Beghelli USA unless a labor request is submitted in writing and approved by Beghelli USA prior to any work performed. The purchaser shall notify Beghelli USA within 72 hours from the date the defect became apparent. This warranty does not include batteries, lamps or any item which has a fair wear and tear life-cycle based on shelf life, use and maintenance. Furthermore, this warranty does not cover any intentional physical abuse of the products, improper installation, installation in areas that the product is not certified or suitable for, acts of God, alteration of a product by an unauthorized service agent and use of improper installation hardware.

The continual evolution of LED products may affect the ability of Beghelli USA to offer an exact match (color temperature, CRI) for future replacements. Beghelli's liability is limited to the defective units only, not the entire system. Beghelli USA warrants its light emitting diode luminaires, including the LED arrays and the LED drivers to be free from defect in material workmanship for a period of five (5) years from the date of the purchase order. The LED arrays in the luminaires will be considered defective in material or workmanship only if a total of 15% or more of the individual light emitting diodes in the luminaire fail to illuminate.

EMERGENCY EQUIPMENT	LIGHTING EQUIPMENT
* Emergency lighting: (3 years)	* Housing / Mechanical: (5 years)
* Exit Signs: (5 years)	* Ballast / Power Supply / Driver: (5 years)
* Emergency drivers: (3 years)	* Light Emitting Diodes: (5 years)
* Inverters: (contact factory)	* Fluorescent Lamps: (Not covered by warranty)
Note: lamps not covered by warranty
